

# Car Care Clinic Sunday May 15<sup>th</sup>, 2011

**Time: 11:00 am**  
**Place: Bruce McQueen's**

As you are aware, there are many products on the market to detail your car so that it maintains it's luster and beauty. Are you interested in sharing with other members in the Club your favorite detailing tricks for:

- \* washing, drying, water spots
- \* windshield and glass care
- \* using a clay block and waxing
- \* convertible tops
- \* engine and undercarriage detailing
- \* wheels and tires
- \* trim and metal
- \* interior detailing

Each of us has a trick or two using a variety of products and methods. The focus will be to share everyone's ideas and tricks to detail their car ... don't forget to bring your detailing tools and products to demonstrate.

We'll make it a "pot luck" lunch and perhaps after all the work is done and lunch is finished, we'll head out for a scoot around the Nanaimo area before heading home.

Bram's Miata will be used as the main demonstrator vehicle, but everyone is welcome to work on their own as well.

Any questions, please don't hesitate to contact me at 250-716-1438 or [blue.n.zoomin@shaw.ca](mailto:blue.n.zoomin@shaw.ca)

RSVP if you will be attending. Please bring your own refreshments as well as chairs if possible.
