

Club Miata Vancouver Island Christmas Dinner Sunday, December 6th, 2009

This year's Christmas Dinner will be centrally located in Ladysmith to open up the participation to all Island members.

Those leaving from Victoria can meet to leave at 4:00pm from the Shell Station at Island Hwy and Spencer Road.

Members from the North Island can meet up at the South end of Driftwood Mall (Courtenay) near Madman MacKay's to leave at 3:50pm.

All participants will then meet at the Ladysmith Dairy Queen at 5:15pm for a 5:30pm departure where John Lees will take us on a tour of Ladysmith, including the spectacular First Avenue Light Up Display and Christmas Tree. These lights will be turned on November 26th before a crowd of 15-20,000. John will then lead us to Ricky's Restaurant arriving there about 6:00pm for a beef and turkey buffet.

The beef and turkey buffet will include tea, coffee, tax, and gratuities for only \$20.00 per person. Other drinks will be extra.

If your Miata is off the road, please come in your daily driver (I will).

Please e-mail Larry and Gail at larryandgail@shaw.ca by Sunday, November 29th so that we can give the restaurant a head count.

Hope to see you all then, **but if it snows, the dinner will be cancelled.**
